RainbowBridge.com

Just this side of heaven is a place called Rainbow Bridge.

When an animal dies that has been especially close to someone here, that pet goes to Rainbow Bridge. There are meadows and hills for all of our special friends so they can run and play together. There is plenty of food, water and sunshine, and our friends are warm and comfortable.

All the animals who had been ill and old are restored to health and vigor. Those who were hurt or maimed are made whole and strong again, just as we remember them in our dreams of days and times gone by. The animals are happy and content, except for one small thing; they each miss someone very special to them, who had to be left behind.

They all run and play together, but the day comes when one suddenly stops and looks into the distance. His bright eyes are intent. His eager body quivers. Suddenly he begins to run from the group, flying over the green grass, his legs carrying him faster and faster.

You have been spotted, and when you and your special friend finally meet, you cling together in joyous reunion, never to be parted again. The happy kisses rain upon your face; your hands again caress the beloved head, and you look once more into the trusting eyes of your pet, so long gone from your life but never absent from your heart.

Then you cross Rainbow Bridge together....

Braggs

Lark earned the NACSW Nose Work 1 (NW1) title with Pronounced in Alpharetta, Georgia, in November 2016. She won first place in Interior. Eleven hours on the road for 59 seconds total search time and absolutely worth it!

Fizz earned the NACSW Level 1 Element Specialty Trial Title in Exterior in Jacksonville on December 18, 2016, having successfully completed four searches outdoors. The next day, he titled in Nose Work 2 (NW2), having completing Interior, Exterior, Container, and Vehicle searches with more than one hide and/or odor.

Both dogs competed at a Performance Scent Dogs trial at Dania Beach in November. Fizz earned legs in Exterior, Interior, Container, Speed and Distance. Lark earned legs in Exterior, Interior, and Distance. Both dogs earned 2nd and third place ribbons for various searches.

The Beagle Nationals came to Florida this year, so we got Brewster beagle out of retirement and headed to Ocala. He remembered everything and was fantastic, with a great agility run and placement ribbons in Preferred Open, Rally Advanced and Rally Excellent. One of the few beagles who doesn't work with his nose on the ground

Thank You!

Thanks to everyone from me, Judy McPartland, and Lauren Walsh for their help with our UKC Nose Work Match.

We offered two trials on Saturday, December 10, with 65 completed P/T, Interior, and Container runs. Congratulations to everyone who participated, especially our High in Trial winners, Kathy Albasini (Trial 1) with Cassidy and Lauren Walsh (Trial 2) with Cash.

Thanks to Judy Rivard of Performance Scent Dogs who served as our very capable judge.

Judy McPartland served as Trial Secretary and Lauren Walsh as Volunteer Coordinator. Both put in many hours to ensure that our paperwork was accurate and that a small army could work together as quickly and efficiently as possible.

We would also like to thank:

Paula Botkin, Lorraine Smith, Marjorie Butcher, Cyndi Porter, and Judy Norton for help with set up Friday evening.

Nancy Petrone, Barbara Zaniewski, and Cyndi Porter for Saturday pre-trial tasks.

Charlotte Czermann, Marjorie Butcher and Peter Shrader for making coffee and getting lunch.

Lindsey Smith, Kathy Albasini, Angel Andrews, and Barbara Zaniewski for serving as gate stewards; Judy Norton for serving as cold box handler and timekeeper; and Charlotte Czermann for serving as hot box handler.

Page Hinds Athan generously donated our High in Trial trophies; Lorraine Smith contributed placement trophies.

Thanks again to everyone, and a special thanks to OTCPCB for allowing us to grow this sport in our building.

Best,

Marti Hohmann
