- Trial entry will close when entries fill after the draw period or 12:00 PM Eastern Daylight Time on April 28, 2017.
- NACSW reserves the right to cancel a trial if minimum entry numbers are not met.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- **Note:** We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

#### **Registration Method:**

All registration will be on-line via the link provided to the NACSW™ trial registration form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration; this email does not confirm your space in the trial. There will be a separate confirmation from [dogevent@comcast.net](mailto:dogevent@comcast.net) or [judymcp@outlook.com](mailto:judymcp@outlook.com) to let you know if your entry has been given a space in the trial.

#### **Entry Method:**

Trial spaces will be awarded in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries (see below) received between 12:00 PM March 13, 2017 and 12:00 PM March 15, 2017 Eastern Daylight Time.
- In the event that you are having technical difficulties with the entry system, please email [trialEntry@nacsww.net](mailto:trialEntry@nacsww.net) prior to the end of the draw period.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements.

**Note: If you are entered in another trial before this one and earn the title for the level you are entering (NW1, NW2) at this trial, you will forfeit your space in this trial. You may request that the host add you to the list of those wishing to run their dog For Exhibition Only (FEO), in which case you may be given a space in the trial if space remains after all Qualified Entries are accommodated. If you earn the title level after the refund period has ended then you must contact the trial host at: ([dogevent@comcast.net](mailto:dogevent@comcast.net)) within 48 hours of earning your title and at least 72 hours before the trial you are registered for to let them know you are no longer eligible. If you contact the host within 48 hours of titling and at least 72 hours before their trial and (1) they are unable to fill your space then you won't be given a refund but will be allowed to keep your space in the trial and run your dog FEO or (2) they are able to fill your space then a refund will be issued minus the processing fee listed in the cancellation policy. If you fail to contact the host within 48 hours of earning your title and at least 72 hours before the trial you are registered for then you will forfeit your space, you will not be allowed to run as FEO, and no refund will be issued.**

- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to

an alternate dog. In the event that multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. No dog will be given a space in more than one day of any given trial weekend.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.
- If space remains after all qualified entries are accommodated on March 31, 2017, then we may accept entries for those who wish to run a dog For Exhibition Only (FEO). Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

A Qualified Entry is one that meets all of the following criteria:

1. The on-line trial entry is completed between 12:00 PM Eastern Daylight Time March 13, 2017 and 12:00 PM Eastern Daylight Time March 15, 2017.

5. The dog has passed the appropriate ORT and prior title level at least 14 days before the trial opens for entries.
6. The dog has earned the appropriate ORT and prior title level at least 3 days prior to the trial date. Please note: If the required title or ORT was earned fewer than 14 days prior to the event, it is the competitor's responsibility to provide proof of the ORT or title to the event host in the form of a score book or a photo of the official results.
7. Qualified entry for NW1 – Dog has not yet earned a NW1 title.
8. Qualified entry for NW2 – Dog has earned a NW1 title level and has not yet earned a NW2 title.
9. Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title.
10. Qualified entry for Elite - Dog has earned a NW3 Elite title.

You will be notified via e-mail of the results of the random draw by 2 PM Eastern Daylight Time March 24, 2017. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

A waiting list for alternates will be started as soon as entries fill.

Alternates will be contacted when a space opens up. **Note:** Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

*Be sure you read and understand the guidelines for this trial before entering. By submitting a registration for this NACSW™ Trial, you acknowledge that you have read, understand, and accept the policies and liability information of NACSW™.*

**Trial Conditions:**

Modeled after real-life detection work, K9 Nose Work® trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, wind and heavy rain. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly.

Crating will be inside an Air Conditioned building. There is no shade on the site and crating in cars is not advisable and could be hazardous in Florida in May. ALL DOGS IN THE AIR CONDITIONED CRATE BUILDING MUST BE SECURELY CRATED. NO EXPENS MAY BE USED AS A CRATE. NO UNENTERED DOGS ALLOWED ON SITE. PLEASE COME PREPARED TO CRATE YOUR DOG IN THE AIR-CONDITIONED BUILDING. That means bring a secure crate for your dog and a chair for yourself, crate covers and other equipment, as needed. There will be parking for competitors close to the crating area for cars and vans, but not for RVs. Access to RVs may be restricted during the trial in order to protect the integrity of search areas.

Upon arrival participants will drive to the back of the air-conditioned crating building. Competitors will be provided with assistance at the back door of the crating building. Competitors will unload cars and bring crates, folding chairs and other equipment into the building. Participants will set up crates and then return to vehicles to bring dog into the building. Folks with RVs will enter from the front of the building and once set up will move RV to the more distant RV parking area and walk back to the crating building.

Assistance will be provided to monitor dogs in cars and crates as each competitor brings equipment into the building and then as RV owner parks vehicle. Due to potential line of sight issues, competitors will not be able to return to RVs until the end of the trial.

Once competitors are settled in, they may proceed to the registration area which will be in or near the crating building.

When in the crating building, all dogs must be in crates unless actively traveling to / from potty or search areas. Dogs may not be held in laps or otherwise kept out of their crates. Except when the dog is actively searching, dogs must be on a lead that is no longer than six feet. Flexis are not permitted except when the dog is actively searching. An area of the crate building will be designated as a red bandana area. The reactive dog crating area will reduce, but not eliminate, proximity to other dogs.

Volunteers will be available to monitor dogs and to assist with crate breakdown and loading of vehicles at the end of the trial.

Although the trial site is a developed County fairground, please be aware that alligators and other predators inhabit this part of Central Florida. Safety first. Please stay away from bodies of water and do not feed the wildlife.

Terrain is a combination of paved and gravel roads with some grassy and or sandy areas.

Food is available for purchase from the site vendor. The vendor offers a limited menu. The site does not allow other vendors to provide food for purchase. Please plan ahead and bring food for yourself if you do not want to be dependent upon the offerings of the onsite Vendor.

Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers agree that they are entering this trial at their own risk. BY REGISTERING FOR THE TRIAL, COMPETITORS ACKNOWLEDGE AND AGREE TO ABIDE BY THESE REQUIREMENTS FOR CRATING, PARKING, AND EXCLUSION OF NON-ENTERED DOGS.

### **Liability:**

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW™, Obedience Training Club of Palm Beach County, St Lucie County Fairgrounds and their assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

## **Dog Policies**

### **Dog Policies:**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- No unentered dogs will be allowed at the trial site.
- Competitors must keep their dogs confined in a crate in the designated building when not competing. The logistics of a trial typically do not allow for dogs to be out of their crates in between searches. X-pens are not sufficient confinement. Should a competitor opt to not use the air-conditioned building, but instead crate in a vehicle, the competitor is responsible to provide for the health and safety of dog while in the vehicle.
- Competitors, with RVs will not be accessing their RV during the trial once they have parked.

### **Females in Season:**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact [dogevent@comcast.net](mailto:dogevent@comcast.net) so plans can be made for the dog.

## **Other Information**

### **Rules:**

Complete rules are available at [www.NACSW.net](http://www.NACSW.net). **It is the responsibility of each competitor to read and understand the current NACSW™ Rule book prior to participating in a NACSW™ event.**

### **RV Parking:**

Competitors may not park overnight at the site in RVs or any other vehicle. There is space for RVs to park in a designated parking area that is some distance from the crating building during the day. Due to line of site issues, competitors and spectators will not be able to access the RV parking area during the day.

**Smoking:**

Smoking, including the use of e-cigarettes, is not allowed on this trial site.

**Sportsmanship:**

All competitors/handlers and spectators are expected to follow the rules of the NACSW™ and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

**Harry Award:**

The Harry award is given at the NW1 level to the most outstanding rescue dog that demonstrates extraordinary ability and spirit in nose work. A rescue dog may be defined as a dog that was not purchased from a breeder, private party or store. The dog may have been adopted from a shelter, rescued from the street, fostered with a rescue organization, etc.

The five highest scoring rescue dogs will be considered for the Harry Award when available. A dog may only receive this award one time. Rescue designation is taken from your NACSW™ dog registration information. If you are unclear if your dog is a rescue, please email: [membership@nacsw.net](mailto:membership@nacsw.net).

**NACSW™ Scorebook:**

Remember to bring your NACSW™ Scorebook to the trial if you wish to have your trial results recorded for your own records in your score book. If you bring your scorebook it is your responsibility to pick it up before leaving the trial site. It is not the responsibility of the host or NACSW to return score books or score sheets that are left behind or to mail ribbons that are not picked up.

**Spectators:**

Family members and friends are welcome to watch certain elements if there is appropriate viewing space for a gallery that will not interfere with the dog working or the judging. Limits may be put on the number of spectators depending on the turn out. Children under 18 must be directly supervised by a parent/guardian at all times. **Spectators MUST check-in at registration, sign a waiver, and get a name badge.** No dogs will be allowed in the spectator area. No unentered dogs are allowed at the trial site. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete. Competitors are not allowed to watch the trial at anytime.

**Video Taping and Photography:**

At this time, competitors may be allowed to take videos and photos of the search areas during the competitor walk through in order to help familiarize themselves with the search area. Due to site privacy issues or time constraints, competitors may not be allowed to photograph or video a search area during the walk through. At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

As a condition of your entry, you agree to allow NACSW™, or their agents, to video you and your dog, during the entirety of the NACSW™ event. These videos are the property of NACSW™. All competitors, through entry at any NACSW™ event, waive any and all rights relative to video broadcast or photography of such event.
